

# Congratulations!

[Insert School Letterhead ]

Dear \_\_\_\_\_

Congratulations! You have been recommended and accepted for induction into the National Creative Society. This accomplishment is an honor.

We are an organization wishing to bring recognition to those students who are not frequently noticed for their artistic gifts and talents in school. You are important to the school and area artistic community and we want to celebrate your considerable ability.

You have achieved an exceptional level of achievement. Everyone who is an artist at this school is not nominated. You are held in high esteem. Be proud.

The first step of induction includes form submission. I must have three forms from you in order to include you in our organization. They are included in this packet and must be submitted by \_\_\_\_\_.

1. Student Information Form – submit form to me in Room \_\_\_\_\_
2. Fine Arts Referral Form – give to your fine arts teacher, he/she will submit it to me
3. Academic Referral Form – give to an academic teacher, he/she will submit it to me

The induction ceremony will be \_\_\_\_\_ in the \_\_\_\_\_ . Please wear dress clothes – ladies in dresses, gentlemen in ties. This is an occasion to invite parents, grandparents and family friends.

With a creative heart,
